PART-TIME SCHEDULE 3-2 DAYS A WEEK: *Part-time schedule 3 days option Monday, Wednesdays, and Friday. 2 days option Tuesday, and Thursday Note: This option is only available to 15 mos. old +*

- *Please be advised that families who choose the 3-2 days a week schedule are not eligible for a sibling discount.*
- *It is important to note that part-time days are reserved for specific days and cannot be interchanged with other days. However, we understand that sometimes you may need an extra day. In such cases, we encourage you to contact the director to request a 'DROP-IN DAY.' The program may accommodate your request based on the availability of the day classroom ratio. There is an additional fee of \$150 for 'DROP-IN DAY'.*
- *In the event that there are any vacant part-time slots outside of the present schedule, we want to assure you that priority will be given to families already enrolled part-time. We would like to emphasize that any modifications made to your schedule will be irreversible. We accord priority to families enrolling for full-time childcare services. However, we endeavor to accommodate the scheduling preferences of part-time families to the best of our ability, though we cannot guarantee this. Suppose a shared space becomes available due to another family disenrolling without replacement for more than 30 days. In that case, the director will modify and adjust your part-time space to meet the required ratio. We will provide you with a written notice of 30 days, during which you can either accept the modification or disenroll.*
- *It is important to note that charges for a child's absence, including illness, family emergency, vacation, or day off, are included in the predetermined fee structure. This fee structure does not affect the monthly tuition payment, which remains the sole responsibility of parents. It should be emphasized that the monthly tuition payment is not subject to any deductions or rebates due to the child's absences.*

SIBLING DISCOUNT: *The school offers a 10% tuition discount for families with more than one child enrolled during the same school year. The discount is applied to the oldest child's tuition. (This applies to the 2024-2025 Tuition Only)*

LATE PICKUP FEES: *The center closes at 5:30 pm. It is unfair for teachers to stay beyond closing time. If your child(ren) is/are not picked up by 6:30 PM, a late fee of \$50.00 per first 15 minute per child will be charged until 5:45 pm. After 5:45 pm a late fee of \$5.00 will be added for each 5-minute period per child until your child(ren) is/are picked up.*

SCHEDULE CHANGES: *A written request must be submitted to the office one month in advance of any schedule change and must be approved by the director. Schedule changes will only be allowed if there is space in the program. No fee will be charged for the first schedule change; however, you will be charged a \$25.00 fee for each subsequent change.*

BANK FEES: *There is a \$35 fee in addition to the bank's fee for any returned tuition checks. A \$50 late tuition fee will be added ser passing the 3rd day from the 1st of the month.*

EXTENDED ABSENCE FEE: *If your child will be absent from school for two consecutive calendar months then you will be responsible to pay 50% of your monthly tuition, in advance of the absence, for each month that they will be absent. This will ensure that you do not lose your spot in the school. This extended absence must be approved by the director. This policy also follows the "schedule changes" guidelines.*

DIS-ENROLL/RE-ENROLL: *If a family decides to withdraw their child from the program, it is their responsibility to provide a 30-day written notice to the program director. This notice must be given at least 30 days before the desired withdrawal date. It is important to inform us at the end of one month that the upcoming month will be the child's last month in the program so that the staff, your child, and his/her peers have enough time to prepare for the change. Failure to provide adequate notification of withdrawal will result in the forfeiture of your one-month deposit. In the event that a family decides to withdraw from their program and subsequently re-enroll, they will be subject to the new tuition rate, if applicable, in addition to the registration fee \$150. It is important to note that the new tuition rate may differ from the previous rate, and that families should take this into consideration when making their decision. This policy is in place to ensure fairness and consistency in our tuition rates and to maintain the financial stability of our institution.*

EDPC is closed during the weeks of July 4th, and between Christmas and New Year's.
